### CONSENT FOR THE USE OF LEARNER IMAGES AND MEDIA IN SCHOOL PUBLICATIONS

- 1.1.1 in **School** publications (whether local or international), the School website, Thornhill Christian College or in press releases to celebrate the **School's** or the **Learner's** activities, achievements or successes;
- 1.1.2 sales and marketing materials of the School such as leaflets, flyers, brochures or any other printed media designed for this purpose and disseminated locally or internationally;
- 1.1.3 the development of materials for educational or publicity purposes both locally and internationally; and
- 1.1.4 Promotion of the School on the School's official social media platforms, including but not limited to Facebook, Instagram, Twitter, YouTube or any other such social media platform designated for official use by the School.

**The consent contemplated above be valid until [the Learner reaches the age of majority] [Note: It is not advisable to obtain this consent indefinitely as this may not be justifiable in light of the fact that the parents will have consented on behalf of the learner. **The School shall (and will procure that any third party professional engaged for the abovementioned purposes shall) under no circumstances sell any still and/or moving image, video footage, photographs and/or frames and/or audio footage and other media with or without name to a third party.**
